## RADIANS NECK GAITER

Keep your face protection easily accessible with the Radians Lime Neck Gaiter. Made from 100% polyester Interlock fabric, it feels soft and comfortable against your face. Use it to cover your nose and mouth for protection from dust and non-chemical mists in construction, utilities, and other industrial applications. This neck gaiter is not intended for medical use but can also be worn in public settings as recommended by the CDC to help slow transmission by the wearer, especially when social distancing measures are difficult to maintain.

- 100% Polyester Interlock Fabric
- Lightweight
- Machine Washable
- Moisture Wicking
