Norton Stock Items Promotion

Any stock Norton items qualify for the promotion.

See pages 57 - 61 of the Shop Supplies section of the catalog for reference.

Flap Discs - Chop Saw Wheels - Cut Off Wheels - Grinding Wheels

FLEXEEL PREMIUM AIR HOSE

SP7-PFE60254T - 3/8" x 25 ft hose

1/4" male pipe ends

SP7-PFE60504T - 3/8" x 50 ft hose

Flexeel® Reinforced Polyurethane Hose offers an excellent alternative to bulky rubber hose. This hose is extremely lightweight and is extruded with an inner-layer, a layer of reinforced braiding, and an outside jacket. This extrusion process yields an "integral piece" that ensures the integrity of the hose over long periods of use. All of this yields a strong, durable hose with an increased working pressure.

SAFETY COUPLER

Hose & Fittings pg. 18

- Safety Exhaust Couplers automatically connect under zero pressure and safely vent and disconnect under zero pressure.

- For high-impact tools, a lead-in hose must be used to lengthen the life of the coupler.

72420 - 1/4" 5-in-1 coupler

72422 - 3/8" 2-in-1 coupler

72424 - 1/2" 2-in-1 coupler

Redi-Burst®

POCKET BLOW GUN

SP7-18211

The Redi-Burst® Pocket Blow Gun delivers the same performance as larger thumb-lever blow guns, but is much smaller. The Redi-Burst® Pocket Blow Gun requires less storage space in a tool box and is portable enough to keep in a pocket or on a tool belt. The Redi-Burst® accepts all standard 1/8" Coilhose Pneumatics blow gun tips.

The Redi-Burst® Kit is equipped with an OSHA Compliant safety tip and a conical rubber tip.
